

IFR Refresher With Michael Church

Curriculum will include currency requirements, weather, airspace review, chart review, minimums and alternates, ATC procedures, GPS, VOR, Localizer & ILS approaches, IFR navigation, departure procedures, holding patterns, diversions, lost communication, arrival routes, flight planning, FAA regulations and emergencies.

Michael Church has been flying for 51 years. He is known locally and regionally as an entertaining speaker and prolific author. Michael has been honored by the FAA as a National Safety Counselor and has received awards for Master Instructor and Master Aerobatic Instructor.

Directions: John Wayne Airport Administration Building is located at 3160 Airway Ave, Costa Mesa. Enter the meeting room from the parking lot rear of building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
